Notice of Realty Action: Modified Competitive Sale of 35 Parcels of Public Land in Clark County, Nevada

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Realty Action.

SUMMARY: The Bureau of Land Management (BLM) proposes to offer 35 parcels of public land totaling 400.815 acres in the Las Vegas Valley (Valley) by modified competitive sale at no less than each parcel's Fair Market Value (FMV) pursuant to the Southern Nevada Public Land Management Act of 1998 (SNPLMA), as amended. The sale will be processed in conformance with applicable provisions of the Federal Land Policy and Management Act of 1976 (FLPMA) and BLM regulations. An online sale is the selected modified competitive bidding procedure that will allow for maximum participation. The sale will take place on May 3, 2022, at 8:00 a.m., Pacific Time, on EnergyNet's website at: https://www.EnergyNet.com/govt_listing.pl.

DATES: Submit written comments regarding the sale until [INSERT DATE 45 DAYS AFTER DATE OF PUBLICATION IN THE *FEDERAL REGISTER*]. The BLM will publish this Notice of Realty Action (NORA) once a week for three consecutive weeks in the *Las Vegas Review-Journal* newspaper. Prior to the sale, a sales matrix will be published on the following website: https://www.EnergyNet.com/govt_listing.pl. The sales matrix provides information specific to each sale parcel such as legal description, physical location, encumbrances, acreage, and FMV. The FMV for each parcel will be available in the sales matrix no later than 30 days prior to the sale.

ADDRESSES: Mail written comments to the BLM Las Vegas Field Office (LVFO),

Assistant Field Manager, Division of Lands, 4701 North Torrey Pines Drive, Las Vegas, NV 89130.

FOR FURTHER INFORMATION CONTACT: Stephen (Brad) Gallimore by email: sgallimore@blm.gov, or by telephone: (702) 515-5069. For general information on previous BLM public land sales, go to <https://www.blm.gov/snplma>. Information concerning the sale parcels, including encumbrances of record, appraisals, reservations, procedures and conditions, Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9620(h) (CERCLA) documents, and other environmental documents that may appear in the BLM public files for the sale parcels are available for review by appointment only during business hours from 8:00 a.m. to 4:30 p.m. Pacific Time, Monday through Friday, at the BLM LVFO, except during Federal holidays. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service (FRS) at (800) 877-8339 to contact the above individual during normal business hours. The FRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION:

It is the buyer's responsibility to be aware of all applicable Federal, state, and local government laws, regulations, and policies that may affect the subject lands, including any required dedication of lands for public uses. It is the buyer's responsibility to be aware of existing or prospective uses of nearby properties. When conveyed out of Federal ownership, the lands will be subject to any applicable laws, regulations, and policies of the applicable local government for proposed future uses. It is the responsibility of the purchaser to be aware through due diligence of those laws, regulations, and policies, and to seek any required local approvals for future uses. Buyers should make themselves aware of any Federal or state law or regulation that may impact

the future use of the property. Any land lacking access from a public road or highway will be conveyed as such and acquiring future access will be the responsibility of the buyer.

Out of the 35 parcels of public lands that the BLM proposes to offer, twenty-one (21) are located within Clark County jurisdiction, seven (7) within the City of Las Vegas jurisdiction, and seven (7) within the City of Henderson jurisdiction. More specifically, of the 35 parcels, twenty-six (26) are in the northwest part of the Valley near Interstate 215, U.S. 95, and State Route 157; two (2) are in the southwest part of the Valley near Blue Diamond Road; one (1) is located in the southeast part of the Valley near South Las Vegas Boulevard and West Roban Avenue; and six (6) are located in the southeast part of the Valley near Burkholder Boulevard and South Racetrack Road.

The subject public lands are legally described as:

The areas described aggregate 400.815 acres, according to the official plats of the surveys of the said lands on file with the BLM.

The Las Vegas Valley Disposal Boundary Environmental Impact Statement and Record of Decision issued on December 23, 2004, and the Las Vegas In-Valley Area Multi-Action Analysis Environmental Assessment (EA), DOI-BLM-NV-S010-2016-0054-EA (<https://eplanning.blm.gov/eplanning-ui/project/60096/510>), analyzed the sale parcels. Parcel-specific determinations of NEPA adequacy, document number DOI-BLM-NV-S010-2019-0040-DNA and document number DOI-BLM-NV-S010-2021-0004-DNA, were prepared in connection with this NORA.

Submit comments to the address in the “**ADDRESSES**” section. Before including your address, phone number, email address, or other personally identifiable information in your comment, you should be aware that your entire comment -- including any personally identifiable information -- may be made publicly available at any time. While you can ask us in your comment to withhold your personally identifiable information from public review, we cannot guarantee that we will be able to do so.

Any comments regarding the proposed sale will be reviewed by the BLM Nevada State Director or other authorized official of the Department of the Interior, who may sustain, vacate, or modify this realty action in response to such comments. In the absence of any comments, this realty action will become the final determination of the Department of the Interior.

The use of the modified competitive sale method is consistent with 43 CFR 2711.3-2. Public lands may be offered for sale by modified competitive bidding procedures when the authorized officer determines it is necessary based on public policies. To reduce the spread of COVID-19, this sale will be modified to conduct a competitive online sale through a website portal. Consistent with Executive Order 14008, *Tackling the Climate Crisis at Home and Abroad*, utilizing an online auction format would maximize the opportunity for public involvement while reducing greenhouse gas emissions that would result from bidders traveling to Las Vegas. In addition, utilizing an online auction would encourage greater participation by qualified bidders.

Federal law requires that bidders must be:

- (1) a citizen of the United States, 18 years of age or older;
- (2) a corporation subject to the laws of any state or of the United States;
- (3) a state, instrumentality, or political subdivision authorized to hold property; or
- (4) an entity legally capable of conveying and holding lands or interests therein

under the laws of the State of Nevada.

The successful bidder must submit proof of citizenship or articles of incorporation within 30 days from receipt of acceptance of bid letter. Evidence of United States citizenship is a birth certificate, passport, or naturalization papers. Citizenship documents or Articles of Incorporation (as applicable) must be provided to the BLM LVFO for each sale.

To participate in the BLM bidding process, you must register and obtain a bidder number. Registration for online bidding will be available prior to the sale date at EnergyNet's website (https://www.EnergyNet.com/govt_listing.pl). Click on the orange "Register for Sale" button on the blue "BLM Nevada SNPLMA Spring 2022 Land Sale" banner to register, and click on the light blue "View Listings" button on the "BLM Nevada SNPLMA Spring 2022 Land Sale" banner to obtain maps and get information on how to submit competitive online bids via the internet for the sale. A submitted online internet bid is a binding offer to purchase.

To participate in this sale, prospective buyers must create an EnergyNet account, complete the EnergyNet Bidding Terms Agreement, request a bidding allowance, and register for the BLM Nevada SNPLMA Spring 2022 Land Sale. EnergyNet may require approximately five (5) business days to determine bidder's financial qualifications. Additional information on how to register at EnergyNet may be found at https://www.energynet.com/page/Government_Listings_Participation.

Assistance creating an EnergyNet account and registering for the sale is available by telephoning the EnergyNet Government Resources department at 877-351-4488 and by using the following link to create a Buyer's Account:

https://www.EnergyNet.com/bidder_reg.pl?registration_choice=government. After the account is created, follow the link "Submit Bank Information Online" and fill in the form with the following information:

- Bank Name
- Banker's Name
- Telephone Number of Banker
- Address of Bank
- Requested Bid Allowance amount.

EnergyNet will verify the Bank Name is a recognized financial institution and contact the banker to ask if the prospective buyer has the financial means to cover the requested Bid Allowance, which is the limit or ceiling for bids and is NOT recorded as a bid or offer per property at auction. Upon receiving an affirmative answer, the allowance will be granted.

Important notes regarding your Bid Allowance: For security reasons, a bidder must contact its banker and grant permission to speak to EnergyNet about its Bid Allowance request. EnergyNet will not request the account balance or ask any questions about assets or lines of credit. EnergyNet will not request the bank account number, nor can it withdraw funds.

The auction website is open to the public. The internet-based land sale can be observed in real-time. However, you must register as a bidder on the website in advance in order to submit bids for a parcel. The auction website will be active and available for use approximately ten days after the date of this notice and will remain available for viewing until the completion of the auction. The available parcels listed in this notice will be detailed on EnergyNet's website. Interested parties may visit the website at any time. Potential bidders may register for the online auction as soon as the auction website is active.

Potential bidders are encouraged to visit the website prior to the start of the open bidding period to become familiar with the site and review the bidding instructions available at https://www.energynet.com/page/Government_Listings_Participation.

Supporting documentation is available on the website to familiarize new users to the process and answer frequently asked questions.

Payments to the BLM will not be made through the auction website. At the conclusion of the final parcel's bidding period, the successful bidder for each parcel will be provided instructions by the online auction system via email on how to make the required payment to the BLM. In addition, you will be required to pay a commission fee to EnergyNet of 1.5 percent (a percentage) of the highest qualifying bid for each parcel purchased by successful bidders. EnergyNet will submit a separate invoice via email to each successful bidder for the total amount due to the BLM and a separate invoice for the amount due to EnergyNet.

Parcels will begin online bidding at the established FMV. Each parcel will have its own unique open bidding period, with start and stop times clearly identified on the auction website. The open bidding period for each parcel will run for 24 hours from start to finish, and only bids placed during this 24-hour period will be accepted. Each parcel will close bidding sequentially so that each bidder will know if it is the highest winning bid before subsequent parcels close. The website will display each current high bid, and the high bid bidder's number.

The online system allows participants to submit maximum bids, which is the highest amount a bidder is willing to pay for each parcel, to enable a bidder to participate in the online auction without having to be logged into the website at the time the auction period closes. The auction website provides a full explanation of placing maximum bids, as well as an explanation of how it works to place bids on your behalf to maintain your high bidder status up to the chosen maximum bid amount. The BLM strongly encourages potential bidders to review the bidding tutorial in the Frequently Asked Questions area on the auction website in advance of the sale. EnergyNet will declare the highest qualifying bid as the high bid. The successful bidder must submit a deposit of not less than 20

percent of the successful bid amount by 4:00 p.m., Pacific Time, immediately following the close of the sale in the form of a certified check, postal money order, electronic fund transfer, bank draft, or cashier's check made payable in U.S. dollars to the "Department of the Interior, Bureau of Land Management."

The BLM will send the successful bidder(s) an acceptance of bid letter with detailed information for full payment. In accordance with 43 CFR 2711.3-1(d), the successful bidder will forfeit the bid deposit if it fails to pay the full purchase price within 180 days of the sale. The BLM will make no exceptions. The BLM cannot accept the remainder of the bid price at any time following the 180th day after the sale.

If a bidder is the apparent successful bidder with respect to multiple parcels and that bidder fails to submit the minimum 20 percent bid deposit resulting in default on any single parcel following the sale, the BLM may cancel the sale of all parcels to that bidder. If a successful bidder cannot consummate the transaction for any reason, the BLM may consider the second highest bidder to purchase the parcel. If there are no acceptable bids, a parcel may remain available for sale on a future date without further legal notice.

The BLM LVFO must receive the request for escrow instructions prior to 30 days before the prospective patentee's scheduled closing date. There are no exceptions.

All name changes and supporting documentation must be received at the BLM LVFO by 4:30 p.m. Pacific Time, 30 days from the date on the high-bidder letter. There are no exceptions. To submit a name change, the apparent successful bidder must submit the name change in writing on the Certificate of Eligibility form to the BLM LVFO.

The BLM must receive the remainder of the full bid price for the parcel no later than 4:30 p.m. Pacific Time, within 180 days following the day of the sale. The successful bidder must submit payment in the form of a certified check, postal money order, bank draft, cashier's check, or make available by electronic fund transfer payable in U.S. dollars to the "Department of the Interior - Bureau of Land Management" to the

BLM LVFO. The BLM will not accept personal or company checks.

Arrangements for electronic fund transfer to the BLM for payment of the balance due must be made a minimum of two weeks prior to the payment date. The BLM will not sign any documents related to 1031 Exchange transactions. The bidder is responsible for timing for completion of such an exchange. The BLM cannot be a party to any 1031 Exchange.

In accordance with 43 CFR 2711.3-1(f), the BLM may accept or reject any or all offers to purchase or withdraw any parcel of land or interest therein from sale within 30 days, if the BLM authorized officer determines consummation of the sale would be inconsistent with any law, or for other reasons as may be provided by applicable law or regulations. No contractual or other rights against the United States may accrue until the BLM officially accepts the offer to purchase and the full bid price is paid.

According to the SNPLMA, as amended, Public Law 105-263 section 4(c), lands identified within the Las Vegas Valley Disposal Boundary are withdrawn from location and entry under the mining laws and from operation under the mineral leasing and geothermal leasing laws until such time as the Secretary of the Interior (Secretary) terminates the withdrawal or the lands are patented.

Upon publication of this notice in the *Federal Register*, the described land will also be segregated from all forms of appropriation under the public land laws, including the mining laws, except for the sale provisions of the FLPMA. Upon publication of this notice and until completion of this sale, the BLM will no longer accept land use applications affecting the parcels identified for sale. The parcels may be subject to land use applications received prior to publication of this notice if processing the application would have no adverse effect on the marketability of title, or the FMV of the parcel. The segregative effect of this notice terminates upon issuance of a patent or other document of conveyance to such lands, or publication in the *Federal Register* of a termination of the

segregation. The total segregation period may not exceed two years unless it is extended by the BLM Nevada State Director prior to the termination date in accordance with 43 CFR 2711.1-2(d).

Terms and Conditions: FLPMA Section 209, 43 USC 1719(a), states that “all conveyances of title issued by the Secretary... shall reserve to the United States all minerals in the lands.” Accordingly, all minerals for the sale parcels will be reserved to the United States. The patents, when issued, will contain a mineral reservation to the United States for all minerals.

In response to requests to clarify this mineral reservation as it relates to mineral materials, such as sand and gravel, we refer interested parties to the regulations at 43 CFR 3601.71(b), which provides that the owner of the surface estate of lands with reserved Federal minerals may “use a minimal amount of mineral materials” for “personal use” within the boundaries of the surface estate without a sales contract or permit. The regulation provides that all other use, absent statutory or other express authority, requires a sales contract or permit. The BLM refers interested parties to the explanation of this regulatory language in the preamble to the final rule published in the *Federal Register* in 2001, available at <https://www.federalregister.gov/d/01-29001>, which states that minimal use “would not include large-scale use of mineral materials, even within the boundaries of the surface estate” (66 FR 58894). Further explanation is contained in the BLM Instruction Memorandum No. 2014-085 (April 23, 2014), available on the BLM’s website at <https://www.blm.gov/policy/im-2014-085>.

The following numbered terms and conditions will appear on the conveyance documents for the sale parcels:

1. All mineral deposits in the lands so patented, and to it, or persons authorized by it, the right to prospect for, mine, and remove such deposits from the same under applicable law and regulations to be established by the Secretary are reserved to the United

States, together with all necessary access and exit rights.

2. A right-of-way is reserved for ditches and canals constructed by authority of the United States under the Act of August 30, 1890 (43 U.S.C. 945).
3. The parcels are subject to valid existing rights.
4. The parcels are subject to reservations for roads, public utilities, and flood control purposes, both existing and proposed, in accordance with the local governing entities' transportation plans.
5. An appropriate indemnification clause protecting the United States from claims arising out of the patentee's use, occupancy, or occupations on the patented lands.

To the extent required by law, the parcel is subject to the requirements of Section 120(h) of the CERCLA, as amended. Accordingly, notice is hereby given that the lands have been examined and no evidence was found to indicate that any hazardous substances have been stored for one year or more, nor that any hazardous substances have been disposed of or released on the subject properties.

No warranty of any kind, express or implied, is given by the United States as to the title, whether or to what extent the land may be developed, its physical condition, future uses, or any other circumstance or condition. The conveyance of a parcel will not be on a contingency basis.

Shonna Dooman,
Field Manager,
Las Vegas Field Office.
